

# Commercial Construction

## Expert coverage for when it matters most

Focusing on larger contracting risks, our Commercial Construction team writes multiple classes of general contractors and subcontractors through our wholesale distribution network.

Our tailored coverage is designed to adapt to the unique needs of the commercial construction industry. With a variety of approved contracting classes, we provide expert coverage for peace of mind, even in the event of a claim.

### Key features

- A.M. Best "A-IX" rated carrier
- Limit: \$1m per occurrence/\$2m aggregate
- Optional limits of \$2m per occurrence / \$4m aggregate
- Minimum deductible: \$10,000
- Minimum premium: \$10,000
- Non-admitted
- Primary or excess coverage for commercial risks

### Our appetite
