

Site Pollution Liability

Tailored solutions for complex exposures

Protect your clients from the catastrophic consequences of environmental site pollution by partnering with our team of specialists.

Our Site Pollution Liability program focuses on monoline insurance for non-environmental facilities, providing mitigation and protection from a broad range of increasingly complicated consequences. This specialized coverage is uniquely created for each risk, crafted to shield your clients from the risks they're most exposed to.

Key features

- Nationwide program, non-admitted
- Multiple carriers ranging from A-X to A+XV on a quota share basis
- Limits: \$5m per occurrence/\$5m aggregate
- Clean-up costs arising from pollution conditions on, at, under or migrating from a covered location
- Pollution conditions arising from the insured's goods, products or waste during the course of transportation
- Coverage for mold is available
- Minimum premium monoline:
 - Third party only – \$2,000/first and third party – \$2,500
- Minimum deductible: \$1,000

Our appetite

- Offices
- Retail
- Light manufacturing
- Warehouses

What we cover

- Site pollution liability (claims made)
- Transportation pollution liability (occurrence)
