

DUAL FalconEye Camera Discount program

DUAL Specialty Construction & Transport policyholders can access preferred pricing from FalconEye, a leading fleet camera provider.

Why dash cams?

The use of dash cams is continuously increasing, especially among fleets—and for good reason. Not only can dash cams give insight into what actually occurred during a critical safety event, but they can also enhance driver-coaching programs and improve fleet safety.

Dash cams also provide five specific benefits:

- 1 Help reduce false claims
- 2 Incentive safe drivers
- 3 Improve driver training
- 4 Speed up insurance claims
- 5 Protect drivers

Sample cost comparisons:

- (10) Vehicle fleet: \$1,470.00
- (20) Vehicle fleet: \$2,940.00

Or soft tissue claims that could range from \$25,000.00 to policy limits if litigated.*

*Camera pricing and claims settlement cost based on 2021 information
