

Standard Commercial Auto

Comprehensive coverage for fleets of all sizes

Our Standard Commercial Auto program is specially crafted for a broad range of customers and written on an admitted basis.

As your partner, we provide specialized solutions for high-risk classes of business, while maintaining a competitive product for standard risks. Amid evolving challenges, our goal is to keep your clients' fleets moving, with solutions designed to protect against the risks that are known, and the ones that aren't.

Key features

- A.M. Best "A VIII" rated carrier
- Risk size ranges from single units to large fleets
- For-hire general commodity trucking (local and extended intermediate radius)
- Agricultural haulers
- Dry van, reefer and flatbed haulers
- Contractor fleets of 11 units or more
- New ventures acceptable
- No charge for federal or state filings
