Limits profile

 Up to \$15 million in limits either as a lead or participant in larger programs

Representations and warranties

- Representations and warranties insurance ("RWI")
 provides coverage for financial loss sustained by
 an insured (either a buyer or seller) in connection
 with an M&A transaction by protecting the insured
 from unknown breaches of the representations
 and warranties made by the seller in a
 transaction agreement
- Broad appetite for underwriting transactions in the small to middle market enterprise value range
- · Reduces risk to seller
- · Reduces buyer's counterparty's credit risk
- · Produces competitive bids
- · Speeds up closing time
- Safeguards business relationships
- Promotes clean exits
- Eliminates the threat of seller bankruptcy
