Workers Compensation

Debit Experience Mod

Flexible underwriting
for accounts with an
uncharacteristic rise in
experience mod

When bad experiences happen to good insureds, we're here to help. Our Debit Mod Workers Compensation program for California is backed by A.M. Best "A VIII" capacity to help your clients navigate the difficulty of having a high X-mod.

With programs to serve a variety of sectors, you can count on our team of experts for specialized situations. In a niche market, our team provides the expertise necessary to solve problems with an open mind, while ensuring the finer details are taken care of too, such as flexible payment options and white glove service.

Key features

- California only
- Experience mods from 1.01 to 3.00 only
- Annual premiums starting at \$50,000
- Network of national loss control experts who provide:
 - On-site survey and hazard evaluations
 - Ergonomics assessments and training
 - Safety services, training and consultation
 - Specialty jobsite and workplace training topics available
 - Online library or safety training
- Claims handling by our expert TPA:
 - Specializes in CA WC claims delivering better than industry results
 - Nurse triage program available upon request
 - Prescription first fill program for injured workers
 - Fraud prevention and special investigation unit
 - Communication technology to increase engagement with injured workers
 - Client/agent portal access available upon request
 - Regular claims reviews available upon request
- Flexible billing options:
 - Monthly payroll reporting – direct bill
 - Monthly installment plan – direct bill

Our appetite
